

Demo #06 - Handin Template (More Front-End)

- Please “Make a copy” of this Google Doc file for yourself.
- Please name the file: *lastname_firstname_demo06.pdf*

Screen Capture #1: Colour palette

Annotate (as needed) to clearly show:

- 4-5 colours
- Colour code
- Optional (and helpful): show how you will use each colour

Screen Capture #2: Show your review page (with customization)

Show at least 4 of the following: text input field, text area, radio button, a block button, icons, sticky footer, etc.

Annotate to clearly show:

- Your HTML page name in the browser
- Your customizations
 1. Nav bar brand change
 2. Colour change (to match the palette you picked above)
 3. Font change
- Your 4 interaction elements (minimum)
